polar/white	4019588785441	1785/1444	8,4 kg	4,8 kg	87 x 91,5 x 23 cm
fir/green	4019588285446	1285/1444	8,4 kg	4,8 kg	87 x 91,5 x 23 cm

TOP FEATURES

- The SATMAN 850 Plus is a high-quality, high-performance satellite dish made of premium aluminum with double-sided powder coating, guaranteeing exceptional weather resistance and long service life
- The satellite system is extremely powerful and easy to install thanks to the fully pre-assembled AZ/EL mount; the mast bracket is suitable for mounting on poles up to 6.5 cm in diameter
- The solid satellite dish with a diameter of 85 cm delivers stable and very good reception of free and encrypted TV and radio programs, including in UHD/4K, when optimally aligned
- Easy installation and secure hold: Every 40 mm LNB can be easily and stably mounted on the sturdy LNB clamp, e.g. the Black Edition TechniSat LNBs
