TOP FEATURES

- Excellent sound: the 3 x 30 watt wireless stereo speaker, developed in cooperation with ELAC sound experts – can be operated via the UNDOK app and connected with other speakers
- All-rounder: Active speaker, Bluetooth box, internet radio, and streaming speaker in one, plays music wirelessly via Spotify Connect (Premium account required) and from the network
- The connection to the home network is possible both via integrated Wi-Fi and wired LAN; audio from external devices can be played through the analog AUX-in port
- Via UPNP audio streaming, you can access music files shared on the network using the device
