TOP FEATURES

- Clock radio: Adjustable alarm rhythm (daily, weekdays, weekends) with snooze and sleep function – wake-up volume can be selected and gradually increases
- Favorite station memory: Ten stations each can be stored for both DAB and traditional FM radio reception, so your favorite station is always ready
- High-quality LCD display: In addition to the time, the integrated radio alarm clock screen displays station names and program information. The display is also dimmable. Ambient temperature: 5°C – 35°C.
- USB charging function: The compact DAB radio also has a USB port with charging function. Perfect for your bedroom, office, or even the kids' room.
