TOP FEATURES

- Versatile design: The modern FM radio is perfect as an under-cabinet kitchen radio or as a freestanding radio. With its elegant casing, it fits perfectly into modern interior styles in the kitchen or bedroom
- Impressive sound: Two stereo speakers with bass booster deliver powerful sound. Thanks to the built-in Bluetooth receiver, you can play music from your smartphone on the KITCHENRADIO or use the connection as a speakerphone.
- Everyday & night functions: The under-cabinet radio features convenient wake, sleep, and snooze functions and automatic shut-off. The integrated LED light is practical as a task or night light
- User-friendly: Clearly readable LED display with time and date, 40 favorite memory slots, easy timer access via direct selection button, and external antenna connection
