TOP FEATURES

- Flexible usage: The Discman with anti-shock function can be used anywhere thanks to battery power and offers DAB+ and FM reception alongside the CD player
- CD player with MP3 and resume function: The portable CD player resumes playback at the last listened-to position after being switched off – ideal for audiobook fans
- Individual sound: Using the predefined equalizer, sound settings can be adjusted manually. The player provides up to 5 hours of entertainment with its battery
- Favorites memory: You can save 10 stations each for DAB+ and classic FM radio reception. This way, your favorite station is always ready to play.
