### TOP FEATURES

- The ideal musical companion: Robust and compact, the digital radio impresses with an integrated CD player and the ability to wirelessly stream your favorite music via Bluetooth
- Portable CD player: The powerful boombox in retro look impresses with FM and interference-free DAB+ reception as well as USB and AUX-IN interfaces for customized music enjoyment – even on the go
- The sound of the digital radio with 2 x 1.5 watts makes it a modern interpretation of the nostalgic CD player, with a large graphic of favorite characters on the CD tray
- Excellent as a clock radio: The large LCD display shows the current radio program or CD track as well as the time – ideal for schoolchildren with alarm and sleep timer
