

## DIGITRADIO 11 IR

Receiver / radio adapter for DAB+ / FM / Internet radio with colour display and Bluetooth audio streaming

Colour	EAN	Item no.	Weight (Box)	Weight	Device (W x H x D)	Box
black/silver	4019588039582	0000/3958	620 g	156 g	12 x 9 x 6 cm	17 x 7,5 x 17 cm

### TOP FEATURES

- **Compact radio adapter:** The receiver is used to upgrade existing stereo systems or AV receivers to receive digital and internet radio – the adapter has no built-in speakers
- **Premium features:** In addition to DAB+ and internet radio reception, you have access to music services like Spotify, Amazon Music, and more. Experience crystal-clear audio with Bluetooth streaming and built-in Wi-Fi.
- **Comfort:** The dimmable 3.5-inch color display shows the time, station name, and additional information about the current program. Convenient features include wake timer, sleep timer, and the option to connect an external antenna
- **Full flexibility:** Additionally, up to 30 FM and DAB stations can be saved. Operation is simple and intuitive using the included remote control or conveniently via app.
