

## Plug and cable holder Type 2

Wall mount for charging cable and plug type 2

Colour	EAN	Item no.	Weight (Box)	Weight	Device (W x H x D)	Box
black/white	4019588063402	0000/6340	292 g	426 g	10 x 19,8 x 9,3 cm	22 x 11 x 10 cm

### TOP FEATURES

- Universally compatible: The holder is suitable for all electric vehicle charging cables with Type 2 plug (European standard, IEC/EN 62196)
- Organized & safe: No more cable mess or cables lying on the floor, no tripping hazards – the charging cable of the e-car can be hung up neatly and space-saving
- Simple & practical: The plug mount can be operated one-handed. The plug clicks in easily and sits securely and cleanly in place.
- Indoor & outdoor: The wall mount with downward-angled bracket supports water drainage and prevents moisture build-up. The charging cable holder can be installed in a garage or on an exterior wall
- Quick & easy wall mounting: the high-quality cable holder can be mounted both indoors and outdoors. Delivery includes the cable and plug holder, three screws, and three wall plugs

#### POWER SUPPLY
