EAN	Item no.
4051586193002	TX109300

TOP FEATURES

Made in Germany

Integrated Teppinox grill with efficient heating system and a heating zone with 2,000 watts of power

Precise temperature control and short preparation time, stainless steel rotary knob

Wide drainage channel, sandblasted, to drain off escaping fat and juice

Can be used very flexibly thanks to the transport handles (e.g. garden, balcony, kitchen, living room)

It gives dishes an unusual aroma of delicate toasting

Grill trolley made of robust stainless steel with 4 castors (2 with brake function)

Closed design: All-round protected storage space with double stainless steel door

Fully assembled - no assembly required, just plug the Schuko plug into the socket

Can be expanded or integrated into the outdoor modular kitchen with accessories
