black	4019588191303	0001/9130	572 g	186 g	15 x 25 x 9 cm	19 x 28 x 13 cm

TOP FEATURES

- Digital stereo wireless headphones for TV and audio systems including optical audio input – only compatible with the current version (battery and headphones)
- Lightweight and comfortable wireless headphones for home audio reception, with a range of up to 25 meters.
- The system uses 2.4 GHz wireless technology, enabling crystal-clear stereo sound from music sources or TVs. Up to two headphones can connect to one base station (headphones compatible only with current version)
- The corresponding transmitter, which also serves as a charging station for the headphones and the additional battery, is connected to the desired audio source, such as a TV
