### TOP FEATURES

- Matti the MAMMUFANT: The TECHNIFANT Bluetooth speaker is enclosed in a cuddly and washable cover
- The MAMMUFANT works straight out of the box, with no complicated setup or subscription required. A hat with audio content is included and offers space for additional content.
- The powerful battery with up to 10 hours of runtime and the headphone jack make the lightweight audio player the perfect companion for on the go. The box works without internet or Wi-Fi
- The children's speaker is suitable for boys and girls aged 3 and up. The portable speaker optimized for children's ears is easy to control with 5 colored buttons – just put on a hat and start listening
- Matti the MAMMUFANT also plays music via Bluetooth or serves as a calming night light for falling asleep or all-night use. The surrounding LED ring can even change colors
