Eiche	4019588339842	0003/3984	4,59 kg	3,57 kg	38 x 13 x 16,8 cm	48 x 19 x 21,5 cm

TOP FEATURES

- Digital radio with ASA technology: ASA can provide the population with reliable digital information in emergencies and crises – even when other communication channels such as the internet or mobile phone networks are down locally.
- Excellent stereo sound: Powered by Elac with 2x10 W speakers, the radio features a high-quality wooden cabinet with aluminium front and intuitive operation on the device or via remote control.
- Full flexibility: stream music via Bluetooth from your mobile phone or tablet, MP3 via USB (including charging function) or AUX IN. A radio alarm clock with sleep timer and favourite memory round off the design radio.
- CD player with MP3 and resume function: After being switched off, the CD player starts again at the last track played when switched back on – ideal for fans of audiobooks.
